

ALIBABA CLOUD DAY CYPRUS UNIVERSITY OF TECHNOLOGY

 **Thursday October 30, 2025**

 **09:00 – 15:30**

 **1, Archbishop Kyprianou Str., Loucaides Building,
1st floor, 3036 Limassol, Cyprus**

We are delighted to invite you to a **special collaborative event between Alibaba Cloud and Cyprus University of Technology**, dedicated to exploring the latest advancements in **Cloud Computing and Artificial Intelligence** and strengthening academic–industry partnerships.

This one-day program will feature **two tailored sessions**:

- ✦ A **Morning Session** for professors and teaching staff to discover Alibaba Cloud's **academic ecosystem, AI infrastructure, and collaboration opportunities**.
- ✦ An **Afternoon Session** for students and researchers to get hands-on experience with **Alibaba Cloud's AI tools**, including **Qwen** and **EDS**, through an interactive chatbot-building workshop.
